Workshop Booking Terms and Conditions

A booking becomes valid when the booking form has been completed and payment has been received and acknowledged.

Receipt of the workshop information is your responsibility. Information is sent in good faith. Lack of receipt does not constitute any refund.

Workshop amendments

If the course venue, times, date or content have to be amended you will be informed immediately and given the choice of remaining on the workshop, transferring to another or receiving a full refund.

Cancellation

If I have to cancel the advertised workshop you will be offered a full refund or an alternative workshop.

If you cancel a workshop, for whatever reason, inform us immediately and confirm this in writing. I will endeavour to fill your place. Should we fail to do this you will be responsible for the workshop fee.

Cancellation within two weeks of the workshop cannot be refunded.

In this instance that you transfer to any alternative workshop you must still abide by these terms and conditions.
